## Sonne in KA-Stupferich

### Dear Guest,

*we're delighted to have you with us!*

Here at the Sonne, we cook the way we ourselves love to eat – freshly prepared, crafted by hand and always with a clear focus on quality. Our cuisine is rooted in the traditions of Baden and shaped by passion, care and the conscious choice of regional ingredients.

Since July 2025, Patrick Kunz has been leading the Sonne in its third generation – as a dedicated cook and a host by conviction, with respect for what has grown over time and a genuine joy in carrying it forward. Our family tradition dates back to 1953, when **Emil and Maria Kunz** took over the inn "Zur Sonne" with four guest rooms and an attached butcher's shop. From 1989 onwards, **Hubert and Angela Kunz** continued the house with great dedication. Today, **Patrick Kunz** carries this tradition forward with commitment.

What defines us are not recipes alone, but people: a team that works with skill and warmth, and a kitchen where freshness is not a promise, but everyday practice. What sustains us is the joy we find in what we do each day – and in the people who choose to be our guests.

If you would like to get to know us a little better, we invite you to read on – you'll find a few more insights into our house on the following pages.

We wish you an enjoyable time with us and a very good appetite.

**The Kunz Family & our Team at Sonne**

### Restaurant Opening Hours

Our kitchen team is at your service from **Monday to Saturday from 5.00 pm** onwards.

We are happy to take food orders until **8.30 pm**.

On **Sundays and public holidays**, our restaurant remains closed, as both our service and kitchen teams are off. **The hotel operations are not affected.**

For **events or group** reservations, we are of course happy to open the restaurant by prior arrangement outside these hours.
